**C. Action on minutes of previous meeting:**

The minutes of the previous meeting were re-approved.

**D. Project Summaries:**

1. Number of projects reviewed: 15
2. Number of projects recommended for joint construction: 1
3. Number of projects recommended for unilateral construction: 14
4. Number of projects not recommended for construction: 0

#### **E. Project Listing: (See attachment)**

1. NM National Guard projects on FYDP are validated for unilateral construction.
2. NM National Guard Long Range Construction Projects were all recommended for unilateral construction. An additional project this year is a MILCON project for the aviation unit in Las Cruces, NM. LTC Stogner will look at Army Reserve Grow the Army (GTA) project in Las Cruces to determine if it is an aviation unit. This new National Guard project (350140) is recommended for unilateral construction.
3. USAR Project. Las Cruces GTA 2011 construction project in Las Cruces may be a possibility for a Joint Project. LTC Stogner stated that the CoE will begin land acquisition process in FY 2010. If a joint project, the NM National Guard unit would be an MP Platoon. Programmed amount is \$12M for the reserves. Until further coordination is done, the board recommends unilateral construction (69582).
4. BRAC Project. BOD for the Kirtland Facility is December 2009. It will be about March 2010 before the reserves vacate the Wyoming Armory. The Board recommends that when the reserves vacate the current facility that the CoE will not break the existing lease and transfer occupancy to the NM National Guard since it is a federal agency as well as a state agency. However, BRAC law states the process for giving up BRAC facilities and the board is not aware of what is written in the law. LTC Rogers will provide BRAC law and POC from 90<sup>th</sup> RRC to NM National Guard.
5. No other component had MILCON projects for board consideration.

#### **F. Meeting Schedule**

The board scheduled the next meeting for April 2010. Actual DTG and location are TBD.

#### **G. Adjournment:**

Meeting adjourned at 1345.
